

Job Description: Tax Manager (Full-Time, Office Based, Athlone Town Centre)

Position: Qualified Tax Advisor

Salary: €70,000 + Bonus

About the Role

We are seeking an experienced Senior Tax Advisor to join our growing accountancy firm remotely. This role involves managing tax advisory services, contributing to automation, and supporting the development of our software. Ideal for a seasoned tax professional, it offers the opportunity to thrive in a flexible, dynamic, tech-driven, and client-focused environment while overseeing a client portfolio and providing exceptional tax advice and compliance services.

Key Responsibilities

- Act as the primary point of contact for a diverse client portfolio, providing expert tax advice and managing client queries with professionalism and efficiency.
 - Prepare and review tax returns for individuals, corporations, and partnerships, ensuring compliance with Irish tax laws and regulations.
 - Provide strategic tax planning and advisory services to clients, helping them optimise their tax position while ensuring compliance with all legal requirements.
 - Collaborate with our software development team to enhance our internally developed systems for automating tax processes, improving client experience, and ensuring accuracy in filings.
 - Stay up to date with changes in Irish tax laws and regulations, sharing insights and updates with the team and clients.
-

Key Requirements

- Fully qualified tax professional (CTA, CTC) with at least 5 years of experience in a tax advisory role within an accountancy firm.
- Strong technical knowledge of Irish tax laws, regulations, and compliance requirements.
- Proven ability to manage a diverse portfolio of clients, providing both compliance and advisory services.
- Proficiency with tax software and accounting systems, with a keen interest in leveraging technology to improve processes.
- Strong communication and interpersonal skills with a client-focused approach, able to work independently, manage multiple priorities, and meet deadlines in a remote setting.

Join our innovative team at Incorpro, where you will make a significant impact on client success while contributing to innovative tax automation systems. Enjoy the flexibility of a fully remote role and opportunities for professional growth in a technology-driven accountancy firm.
